# **5. Zoom-Chat**

The image shows a Zoom meeting interface. A man with glasses and a white shirt is the central focus. A red box with the word "Chat" in white text is positioned over the bottom toolbar, with a red arrow pointing down to the "Chat" icon. The bottom toolbar includes icons for Mute, Stop Video, Security, Participants (1), Chat, Share Screen, Record, Breakout Rooms, Reactions, and End Meeting. The name "Sean Blair" is visible in the bottom left corner of the video frame.

PLAY®-Workshops zu nutzen**

M U R A L

ist ein digitales Whiteboard

MURAL ist integraler Bestandteil des Prozesses, um ein gemeinsames Modelle online zu bauen

1.0 Build Level 1: Prioritising Individual Model Elements

Most important idea

Megan	Joshua	Sirte	Lynda	Sharon	Janine
clear path of progression and growth	Embodied, takes into account the mind and body	Evolution, transformation to higher skills level	Safety	Take away Ideas to implement in workplace	Strong connections between different theories/skills

2nd most important idea

clear achievement and goal	a clear goal or objective to journey	Being passionate about the topic (both trainer and trainee)	Learning both new competences and concrete tools	stretch and experiential	Interact with participants	Facilitator who is connected to but maintains perspective

Other ideas

ideas, creativity and passion ignited by the experience	Interactive/ social, also: involved facilitator/ leader	Gaining a higher level of knowledge than you were expecting	achievement and recognition	Developing Ideas	Creation of shared and "living/breathing" knowledge

2.0 Final Shared Model

Summary

The perfect training helps us grow and learn from each other	The learning is embodied, and engages our mind and body	We are passionate learners and leave with new knowledge, confidence and a certificate	Guided by a trainer who leads from the edge, and is not the focus	It has a strong connection to theory and learning models	The perfect training is enabled though a safe space to try (and fail)	The perfect training helps us create change and impact after training!

# MURAL Überblick – 1. Unser Raum & das Dashboard

The screenshot shows the MURAL dashboard for a room named "Room 1. Upgrade Training". The browser address bar shows "app.mural.co". The room is created by Sean Blair and has 14 participants. The dashboard features a sidebar with navigation options like "All murals", "Recently opened", and "Favorite murals". The main area displays a grid of murals, sorted by "Last Updated". Each mural card includes a thumbnail, a star icon, a title, and the creator's name and modification time. The murals shown include "7. Group 1 - Glaudia...", "6. Mirco & Rob - Fac...", "5. Theresa & Oliver -...", "4. Diana & Ombretta...", "3: Suzanne & Ariane...", "2. Shared Model Bo...", and "1. Mural Skills Build -...".

# 2. Die MURALS sind nummeriert und beschriftet. Sie können per Doppelklick geöffnet werden

The image shows two Mural boards side-by-side. The left board, titled '2. Shared Model Board', features a grid of colorful sticky notes (yellow, orange, green, blue, pink, purple) arranged in rows. The right board, titled '1. Mural Skills Build - Homework', includes a 'Helpful tips for newbies' section with text and icons, a 'Welcome to this Mural Warm Up...' section with a grid of colorful sticky notes, and a 'TASK 2: IMPORTANT!' section with a grid of sticky notes containing photos and text. Both boards have a star icon in the top left and a dropdown arrow in the top right.

Aktivieren per Doppelklick, dann Schreiben

The screenshot displays the Mural.co web application interface. The browser address bar shows 'app.mural.co'. The page title is '2. Shared Model Board • SERIOUS.Global'. The interface includes a top navigation bar with a 'SHARE' button, an 'EXPORT' dropdown, and various utility icons. The main content area is titled '1.0 Build Level 1: Prioritising Individual Model Elements' and contains the instruction 'Build a model to show your perfect training...'. Below this, there are three sections for sticky notes: 'Most important idea', '2nd most important idea', and 'Other ideas'. Each section contains eight colorful sticky notes (yellow, orange, green, blue, pink, purple, yellow, orange). The 'Other ideas' section includes a user profile icon and a plus sign. A zoom settings panel is visible on the right side of the screen, showing a zoom level of 10%.

# 6. Fotos sind essenzieller Teil des Prozesses

The screenshot shows the 'Round 1: Individual Model' gallery in the SeriousWork app. The interface includes a top navigation bar with a back arrow, a dropdown menu, navigation icons, a 'Facilitator' role indicator, a status 'All changes saved', a user count '1', and 'SHARE' and 'EXPORT' buttons. Below the navigation, the gallery is titled 'Individual Models > Shared Models' and displays six individual models:

- SEAN**: A LEGO minifigure on a yellow base with a yellow ramp. Caption: Tap and tell discipline.
- JENS**: A green minifigure on a yellow base with a black pin. Caption: new facilitation techniques.
- JO**: A colorful LEGO structure with purple, blue, green, and red pieces. Caption: Boundaries - physical & mental.
- ROBYN**: A LEGO structure with green, grey, and black pieces. Caption: Good tech.
- NATHALIE**: A LEGO structure with yellow, red, and black pieces. Caption: Workspace.
- HOLLY**: A LEGO structure with orange, red, and green pieces. Caption: Mindset.
